

Thank a Lineworker on April 12

As April arrives, it brings the showers that produce spring flowers. It also heralds the beginning of a potentially stormy season that can include power outages. While Sumter EMC strives to provide reliable electricity to our members, sometimes Mother Nature has other plans.

Most of us can ride out a storm from the comfort and convenience of our homes. However, there is a group of professionals who spring into action when the weather takes a turn for the worst—co-op lineworkers.

Sumter EMC's lineworkers keep power flowing day and night, regardless of national holidays, vacations, birthdays, weddings or other

important family milestones. Beyond the years of specialized training and apprenticeships, it takes internal fortitude and a service-oriented outlook to be a good lineworker. The job requires them to set aside personal priorities to better serve their communities.

There is a day in April set aside to thank a lineworker. Lineworker Appreciation Day is April 12. So if you see a lineworker that day, or anytime in April, stop to say thank you to the power behind your power. Let them know you appreciate the hard work they do to keep the lights on, regardless of the conditions.

"Sumter EMC is proud of our

linemen and the work they put in away from their families to ensure our members are served," says Rene Smith, Sumter EMC President/CEO. "I challenge you to thank a lineworker and let them know they are appreciated, today and every day. Without the dedication of our lineworkers and support personnel, your homes and businesses wouldn't have consistent and reliable power. They help bring light in the darkest times."

If you haven't already done so, we encourage you to stop by one of our three office locations and ask for a lineworker thank-you card. We hope to share the cards from members with our linemen on April 12.

Do We Have Your Money?

In compliance with O.C.G.A. §44-12-236 of The Disposition of Unclaimed Property Act, Sumter EMC is attempting to locate former members whose capital credit checks were issued in June 2016, but which have been returned by the U.S. Post Office as undeliverable or otherwise been unclaimed. The last possible date to claim these funds is Oct. 15, 2021. If these funds are not claimed by this date, they will be donated for charitable uses, as permitted by O.C.G.A. §44-12-236.

Beginning on this page is a list of these members. A complete and current list is also posted for your review on our website, sumteremc.com, and at the offices in Americus, Cusseta and Leesburg.

Office hours and addresses are also listed on our website. To claim a refund or to submit questions about this notice or the list, call Carol Harvard or Jay Anderson at (800) 342-6978 or (229) 924-8041.
